PET TREAT MANUFACTURER- HOME BASED & RELOCATABLE

An exciting opportunity for an energetic, sales & marketing focused owner to take this business to the next level.

This is a boutique pet food manufacturer that has developed a niche brand and product range, selling to both their own Online customers and wholesaling through a national retail chain.

The current owner only works 3 to 4 hours a day, 5 days a week and operates the business from a well-equipped double garage. The business will obviously need relocating.

Annual revenues are in the region of \$150,000 and the owner enjoys a cash surplus of over \$57,000 p.a.

The retiring owner has genuine reasons for sale and is looking forward to providing a supportive transition and training.

Price: \$150,000 plus stock (approx. \$7,000)
