FOOD MANUFACTURER- ICE CREAM

After 17 years in the business, this manufacturer purchased an additional brand 12 months ago in the ever growing dietary sector as well. The complementary brand enjoys a presence in both the main supermarket chains and has allowed this business to grow and establish a national footprint.

Further, the business can be relocated as the owner is the landlord. With the plant and equipment in place there certainly will be room to further grow the business and expand further.

Combined wholesales for 2021 was \$677,000 (the second brand was for 8 months only) makes this a lucrative business for the current part time working owner. Expect EBPDI of \$185,000, Very well priced at \$495,000 including approximately \$90,000 of stock.
